About me

I am a passionate web developer with over 2 years of experience in HTML, CSS, Bootstrap, JavaScript, PHP, WordPress, and Shopify. With hands-on experience in hosting management using cPanel, WHM, and Plesk, I am driven to create engaging, user-friendly websites. I also have the ability to modify themes, plugins, and convert HTML into fully functional WordPress themes. I am continuously learning and growing in the field to deliver high-quality solutions.

Experience

Sr. Web Developer

March 2024 - Present

Adenhaseo Online Solutions LLP.

As a Senior Web Developer at Adenhaseo Online Solutions LLP, I have personally developed over 15 new websites and managed the maintenance of several others. I have the ability to manage a team and collaborate effectively, ensuring the successful delivery and optimization of each project while maintaining high standards of performance and user experience.

Web Developer

Sep 2022 - March 2024

Manorama Web Solutions Pvt. Ltd.

I worked as a Web Developer at Manorama Web Solutions Pvt. Ltd. for over 1.5 years, where I created 40-50 websites, with most projects focused on the travel and tourism industry. In addition to my development work, I also managed a team, overseeing project execution, ensuring timely delivery, and maintaining high standards of quality and functionality across all websites.

Web Developer Intern

July 2022 - Sep 2022

11x Infisol Pvt. Ltd.

I worked as a Web Developer Intern at 11x Infisol Pvt. Ltd. for 2 months. During this time, I created multiple websites and helped deliver them to production. This experience allowed me to learn a lot about web development and improve my skills.
